Complaint 2515/2023/TM

**Subject of case:** The European Commission's refusal to give public access to documents concerning the meeting of a Commission Vice President with the President of the Constitutional Court of Slovenia (EASE 2023/1995)

Dear Mr Zver,

I am writing to inform you that the Commission indicated that it was not in a position to take a confirmatory decision within the deadline initially set (29 January 2024).

As we have informed you, we also asked the Commission to provide us for inspection the document(s) falling within the scope of your application. We have now inspected the one document that the Commission identified at the initial stage and, based on that, we urged the Commission again to adopt a confirmatory decision as soon as possible.<sup>1</sup>

Yours sincerely,

Rosita Hickey  
Director of Inquiries
